RICHARD MILES OPEN – HEARING

Interested parties present can be found on a list in the file in the Surveyor’s office. The hearing was called to order and the Surveyor gave his report which can be found in the file in his office. The report recommends the maintenance assessment be set at \$2.00 per acre. Minor work will be done as money comes into the account. If more work is needed beyond maintenance a future hearing may need to be held to consider a reconstruction of the drain. There was no one opposed to this so a motion was made by Masters, with a 2nd by Levi, to set the maintenance assessments at \$2.00 per acre. Motion carried and the Final Order was signed. The hearing was then closed.
